

Sean M. Dougherty

My wife, Mary, and I moved to the Lower Canyon in 2020. After over 20 years in Fort Collins, we started our Canyon life and love it!

My past includes being a Realtor for over 22 years in NoCo. Before that, I worked as Comptroller for various hotels & property management companies. I volunteer on numerous boards, both in Real Estate and the non-profit world. I currently sit on the BOD for Blue Federal Credit Union & the National Association of REALTORS, and am part of the Leadership Council for the Colorado Association of REALTORS. I have volunteered with Realities for Children for nearly 2 decades. I was also a Volunteer Firefighter for the Red, White, and Blue VFD in Breckenridge for 5 years.

In 2018, I ran for County Commissioner for District 1, and was appointed to finish my good friend Lew Gaiter's term after his passing. I have volunteered on the Larimer County Planning Commission for 13+ years.

I'm running because I feel that my varied background can add a new voice to the Board. I can think at the 30,000-foot view, which is where a BOD should be thinking to prepare for long-term success.

Thank you for your time!
